

Your route to business success

Tuesday 16th September 2008 5.00pm-8.00pm

St Mary's University College, Twickenham, hosts an evening of seminars and exhibitions designed to help you address your business development requirements

Keynote Speaker: Raymond Kinseller

- How to use the free Train to Gain Skills Brokerage service
- Identifying the skills needed to help you meet your business objectives
- Discovering how to access funding to support training
- Accessing government funded training including basic literacy and numeracy
- Industry specific qualifications
- News of an exciting new offer of Leadership and Management training

Workshops and exhibitions will include advice on:

- Accessing funded training
- Business development
- Training solutions for businesses
- Mentoring and support workshop training availability
- The business impact of work-based vocational training
- Working with local colleges – the financial benefits

The better trained you and your staff are, the more your business will profit
